Feedback and Suggestions for next year's Art Show

Silent Auction

Should have the same hours as the rest of the Art Show on Saturday.

Beverage and Food

Coffee/tea/water service all day both days. Include decaf coffee.

Food all day on Sunday.

Light snacks for all guests attending.

Spend some money on the food and make it more of a celebration.

Demos.

Utilize our own artists/teachers.

Have more demos by club members.

For demos use AZ Art Professionals. They hand out coupons.

Levels/Categories for art show entries.

Re-evaluate and better define the levels/categories.

Hostesses.

Suggest we have a sign at the front door that says, "Hostesses will be wearing salmon colored scarves.

Ask them if you need assistance".

Award Ribbons

The little ribbons are cheap and better ribbons would encourage participation.

Labels by Art Work

Labels should be larger and the font more readable.

Size of Art work

Allow for larger art pieces.

Show Dates

Have the show at the end of Feb to middle of March as some people don't return until February or March and don't have a chance to participate.

Club Member Involvement

We should have more involvement by all- we never see the advanced and professionals doing anything.

Have some of the artists available each day in each category to talk about the levels, and the art work in general as well as specifically about their own piece.

Promotions and giveaways.

Have more promotions and giveaways. It might encourage more people to enter.

Have more promotion of any giveaway.

Discounts

Discount or waive entry fees for beginners.

Set-up panels earlier by having them delivered earlier or buying our own

More Promotion of People's Choice

Don't have Paintings Removed before the show is over.

Have more chairs and tables
